

FISCAL NOTE

SB 1841 - HB 1891

April 5, 2001

SUMMARY OF BILL: Authorizes local governments to provide for the use of employees and equipment for disaster relief without requiring the recipient political subdivision to reimburse the lending subdivision. Current law requires reimbursement. Bill would also make sending a copy of a reciprocal disaster relief agreement to TEMA permissive rather than mandatory.

ESTIMATED FISCAL IMPACT:

Local Govt. Expenditures - Cost Avoidance - Exceeds \$100,000/Permissive

To the extent that local governments enter into agreements to provide disaster relief without reimbursement, the recipient political subdivision would experience an avoidance of cost.
